Dear Sir,

I am Oyieke S. Nelson with case#17-62007. I am writing this letter to your office concerning my discharge letter. I am appealing for consideration for my discharge letter to be issue to me because due to some financial problem and family issue that causes me not to complete the last financial management course. I lost my job and things became so hard on me that I couldn't reach rent payment and my mom got sick during that time. She needed Care and attention that I have to voluntarily leave to help save her life. This cause a serious set back for me financially and became too difficult for me at that time.

Kindly, I am asking for the re-open of my case, and I completed the Financial Management Education program. Attached is my Certificate bankruptcy Financial Management. I am kindly asking for your consideration in order to receive my Discharge Letter. Thank for your understanding and hope to hear from you soon.

Sincerely,
Oyieke S. Nelson
